

BANKLINK™ INTERNAL TRANSFER SERVICE

Transferring funds between your accounts is simplified.

Sun National Bank's BankLink™ Internal Transfer Service allows you to automatically initiate the transfer of funds between your designated Sun National Bank accounts and eliminate the time and effort previously spent calling or visiting your local branch.

SUN DELIVERS

The procedures to initiate internal funds transfers with Banklink have been designed with simplicity and respect for your time in mind. Five easy steps and you're ready to go.

- Select the account to transfer from and the account to transfer to.
- Enter the amount and effective transfer date.
- Review and modify: Scrutinize each transaction and edit accordingly.
- You can send transfers to Sun National Bank up to 4:00 P.M. EST each day for same-day credit.
- These can be delivered to you in hard copy or electronically for viewing online.

PRODUCT FEATURES

Sun National Bank's Banklink Internal Transfer Service customers see their banking experience enhanced by a range of valuable benefits:

- Increased Security: Account numbers are preset, reducing fraudulent transfers to unauthorized accounts.
- Schedule Flexibility: All transaction requests can be made in advance based on your schedule – on weekends or evenings for the next business day.
- Batch Reports: Detailed activity reports at regular intervals containing key account data such as transaction history, remaining balance and available credit for monitoring and analysis.
