

BANKLINK™ REMOTE DEPOSIT

Deposit checks without leaving your office.

Sun National Bank's BankLink™ Remote Deposit allows you to deposit checks without having to leave your office up to the 6:00 P.M. EST deposit window. This allows you to accelerate transfer funds and reduce administrative costs.

SUN DELIVERS

Remote Deposit allows you to access the bank for check deposits, to scan and electronically transmit your deposits up to 6:00 P.M. EST nightly. Remote Deposit uses the latest security features to reduce fraud risk and ensure the integrity of your electronic data.

No images need to be stored on your desktop, reducing the potential for fraud or identity theft. Data for each deposit is retained and available for display from the Banklink secure Storage Area Network.

PRODUCT FEATURES

Sun National Bank's Banklink Remote Deposit:

- Provides an opportunity to consolidate your banking relationship to one institution saving multi-depository bank fees
- Supports export functionality for interfacing to clients' Accounts Receivable or other systems eliminating duplicate keying
- Extends deposit deadlines up to 6:00 P.M. EST
- Streamlines your accounting and reporting process
- Accelerate funds availability, thus improving cash flow
- Provides summary detail reporting and data/image archive for easy research and retrieval
- Removes risk to your employees by no longer having to make night deposit drops

Sun's Remote Deposit service also provides comprehensive guidelines to ensure security of the deposit, mitigate risk and provide for the segregation of operator responsibilities to comply with Sarbanes-Oxley 404 legislation.
