

# BANKLINK™ WIRE TRANSFER SERVICE

## Move your funds quickly, reliably and securely.

Sun National Bank's BankLink™ Wire Transfer Service is the most expedient method for making real-time domestic or international wire transactions. Transactions can be executed in US dollars or foreign exchange currencies.

Business moves at the speed of light and your funds need to keep pace. The electronic transfer of funds has changed the way companies do business by accelerating the transfer of funds and reducing administrative costs.

We offer multiple delivery channels to quickly, reliably, and securely initiate an immediate transfer through our automated wire transfer communication and settlement system.

### SUN DELIVERS

Sun National Bank's Banklink Wire Transfer Service will enable your business to:

- Reduce time and effort associated with calling your branch to initiate transfers.
- Eliminate the need to key in information by using repetitive transfers. Simply select your wire, request the dollar amount and the transaction is sent.
- Improve data security, fraud protection and control over the funds transfer function
- Monitor your company's full transaction history using comprehensive audit reports

In addition, as a Banklink Wire Transfer Service user, you will receive notifications of all incoming wires for your accounts via Banklink.
